

(Warren, OH) – In response to multiple requests for information regarding security, Congressman Tim Ryan (OH-17) released the following statement:

“It is important to remember that the House of Representatives remains the “People’s House” and that Congressman Ryan will continue to be accessible to his constituents. However, in the light of this weekend’s tragedy in Arizona, we are re-evaluating our security needs in order to ensure the safety of the Congressman, staff members, and constituents. All appropriate actions will be taken in private offices and at public meetings and events. Additionally, Congressman Ryan will be attending a meeting with other Members and the House Sergeant-At-Arms this week to review existing security and consider possible changes.”
